The Gathering – Europe, 2019 (Spring / Summer Trips)

Join us in being a History Maker in 2019. We are a part of a unique conversion of natural and spiritual events that are happening in the land of many of our ancestors – Europe. The nations are gathering at two of our key spiritual hubs – Matera and Bari, Italy – and we need your help.

Let me introduce you to **Matera, Italy**. They claim it is the third oldest city in the world next to Jericho and Petra. The excavation of an intact, ancient city has made it the location where the Passion of Christ, Wonder Woman, and the more recent Ben Hur were filmed. *It is the recognized Cultural Center of Europe for 2019.*

Bari, Italy is a coastal city, 45 minutes north, and is known for its seaports, tourism, and military base (we will actually be in a section called Modugno). It also happens to be where I was born. Talk about ancestry – it's a direct hit.

In 2017, God began to move me to expand my ministry relationships. So, I accepted invitations to visit ministries in north, central and south Italy for 2018. There is so much to tell of amazing meetings, bonding, and prophetic joining. A major prophetic act took place in Varese in north Italy, breaking the lien of the 30 Year War from Italy and Europe's history. I felt that I was part of an undertow into a mighty wave about to hit Europe. WOC was suddenly befriended into association with the largest apostolic group in Italy, and I became a needle of golden thread bringing people together.

This leads us into the action plan.

We are participating in a gathering of many mission organizations descending on the **Matera/Bari Region** this **Spring and Summer, 2019**. Let's go while the wind is blowing. We can reach many tongues, tribes, and nations in one place that will carry gospel seed around the world. We expect to do marketplace, tent, and street ministry.

Our trips are forming for May (Matera/Bari) and July (Varese). Early applicants may get discounts, if we can get tickets soon. Updates will be on our website. Pray about signing up soon!

Come be a part of a history making, kingdom advance. See you at **The Gathering – Europe, 2019.** ➔

Dear World Outreach Family and Friends:

We are sounding the alarm, blowing the trumpet! Awake, O Church! America and the nations need you. You are needed to turn America back to God, to reach the mission field around us and for the great opportunities abroad. Get involved!

The Spirit of the Lord is leading many into the Valley of Decision to stand for God's kingdom in a critical hour. Important elections are coming. The nations are opening up to the gospel with fresh curiosity to know the truth about God.

As you read this issue, please consider doing something to make a difference: Vote, go to a rally, give to missions, come join us in **Europe 2019** and pray. People need to vote, speak-up and get involved. The cry for laborers is as much for this nation as for the foreign fields. We must promote God's righteousness. We need Christians to vote in this November election to sway the course of America.

Also, come join our **November 2-3 Missions Conference**.

We hope to see you soon.

Much love,

The World Outreach Center Team ➔

WOC Around the World: FRANKFURT, GERMANY

Brian & Janine Weaver
Abigail, Nathaniel, and Gabriel
Strategic Global Impact

Brian and Janine are giving their lives to seeing a movement of churches that is healthy, life-giving, grace-filled, Spirit-empowered, multiplying, multi-generational and multicultural in Germany and Tanzania and the world. Brian has planted churches while raising up church planters in the midst of those churches.

There is no better way than Jesus' model of making disciples: modeling, doing it with them, watching them do it and instructing, and then letting them go for it!

4 years ago, Brian and Janine took a dying church of 18 people, and by the grace of God, turned it around to a life-giving church in an area of Germany that has a population of 250,000 but only one Pentecostal church (that's us!).

Since 2014's refugee crisis in Europe, their church has been making Jesus followers of precious Afghani and Iranian refugees.

In 2017, they launched a second church campus in Frankfurt city which is growing and reaching people. Brian and Janine are directly mentoring Bible school students and church planters set to launch new churches in the next 1-3 years. Their hearts burn to reach Frankfurt, a strategic city in Europe, and the surrounding area with the Gospel of Jesus Christ. They love their city, their incredible team, and the people God called them to serve. Please pray for the movement of life-giving churches in Tanzania and Germany to continue to move forward by God's grace and be salt and light in these nations. www.newlifechurch.site
